THE TRUDEAU SANATORIUM  
AND  
THE EDWARD L. TRUDEAU FOUNDATION

THE TRUDEAU SANATORIUM was founded in 1884 by the late Dr. Edward L. Trudeau to help self-supporting people suffering from tuberculosis.

The institution was definitely intended for those who could pay only part of the cost. The deficit in maintenance is and always has been made up by annual gifts from the public and income from endowment funds. The charges to patients average three-quarters of the cost, but from fifteen to twenty per cent receive further assistance from the Free Bed Funds. Additional endowment for the general maintenance and for the Free Bed Funds is greatly needed, and legacies are desired to strengthen the now enlarged institution.

The following brief summary sets forth the objects and departments of the institution as now carried on:

1. *The Trudeau Sanatorium* is for the treatment of favorable types of pulmonary tuberculosis and for patients of limited means. The full capacity is 200 beds.

2. *The Edward L. Trudeau Foundation* is an endowment fund in memory of Dr. Trudeau, established in 1916, for the support of research and teaching in tuberculosis. The fund is devoted to the following purposes:

- a. *The Trudeau School of Tuberculosis* for the instruction of physicians, gives a four and six weeks' post-graduate course covering the modern diagnosis and treatment of tuberculosis.

- b. A system of *Fellowships* for study and research in the Sanatorium and laboratories, which provide support for young physicians and scientists while undergoing treatment.

c. *The Research and Clinical Laboratory*, located at the Sanatorium, containing facilities for the study of bacteriology, chemistry, and pathology. It includes a large *medical library*.

d. A department for *Statistics*, and for recording the annual reports of patients.

e. *The Saranac Laboratory for the Study of Tuberculosis*, located in the village of Saranac Lake, which was formerly the private research laboratory of Dr. Trudeau, and is now the headquarters of the Trudeau School and of pathological study and research.

Annexed to the Saranac Laboratory is the John Black Room and medical library, which serves the Trudeau School and Fellows as well as the village physicians, and where lectures are given.

## REPORT OF THE PRESIDENT

THE RECORD of the fifty-third year of the Trudeau Sanatorium is summarized in the report of the Chairman of the Executive Committee, which deserves the careful attention of all friends of the Sanatorium.

In general, the record affords great satisfaction to the Trustees. The care of the patients has been maintained at a very high standard and is reflected in the medical results of their treatment and in the contentment of mind and physical comfort to which they practically universally testify during their stay in the institution.

The clinical, x-ray and laboratory work has continued to be of a very high order. In other words, the Sanatorium has worthily upheld the ideals set up for it by its founder.

Moreover, in spite of mounting costs and difficult economic conditions our budget has been balanced. This is due to the fact that our friends have generously supported us and that the staff continues to give devoted service for financial compensation in no way commensurate with its value.

Notwithstanding all of these causes for satisfaction, as is the case with all live organizations, we still have unsatisfied wishes and urgent needs which must be met if the institution is to continue to develop in a manner worthy of its tradition. Three of these needs are outstanding:

1. A larger Free Bed Fund.

The demands made upon our limited reserves for care given free in whole or in part are ever increasing and the circumstances surrounding these appeals are often so pathetic that refusal seems impossible.

Last year we had an unexpected and most generous donation to this fund but it may not be possible to secure a renewal of this gift, and yet the need is pressing and we earnestly hope that it may not be necessary to retrench in this important activity because of lack of funds.

## 2. A Recreation Pavilion.

A number of years ago we had an inadequate amusement and recreation pavilion which was destroyed by fire in 1923. Since that time we have had no suitable central meeting place for our ambulatory patients.

In chronic diseases, such as tuberculosis, this is a very unfortunate lack of an important facility for successful treatment which should consider the mind as well as the body. We are happy to be able to report that this need has already appealed to some of our friends and that a fund to provide such a pavilion has been started, but this fund is still several thousand dollars short of the desired amount.

## 3. Additional Infirmary Beds.

The modern treatment of tuberculosis requires longer periods of bed rest than was formerly thought necessary. This requires a larger proportion of infirmary beds where adequate nursing service may be available. Trudeau feels this need especially because it was developed upon the cottage system in small units primarily for ambulatory patients. To meet our needs of to-day we require at least 40 to 50 additional infirmary beds. This means a considerable capital expenditure either for a new building or for an addition to our present infirmaries. We are hopeful that some generous benefactor may recognize and help us to meet this need.

As usual, therefore, the President in his report must appeal for continued generous support from all of our friends, old and new.

The Trustees are confident that the record of the past warrants a programme of wise but gradual development for the future and they commend the Trudeau Sanatorium as well deserving of the generosity of all interested in maintaining its position as an outstanding institution for the study and treatment of tuberculosis.

In conclusion I have to record the sad fact that the Trustees have lost a generous friend and wise counsellor from their number in the death of Mr. Francis P. Garvan. It will be most difficult indeed to fill his place.

JAMES ALEXANDER MILLER

*President*

(While this report is in press the death of Dr. Lawrason Brown, long associated with the Sanatorium and one of its Trustees, occurred on December 26, 1937. Extended notice is not possible until our next report.)

ANNUAL REPORT  
OF THE  
CHAIRMAN OF THE EXECUTIVE COMMITTEE  
OF THE  
TRUDEAU SANATORIUM  
FOR THE YEAR ENDING SEPTEMBER 30, 1937

THE FIFTY-THIRD year of the Sanatorium closed with a record of further improvement both in the physical condition of the institution and its operation. With a daily average patient census of 208.1 the beds were well filled and fewer cottages closed during the winter.

The sudden death of Mr. Francis P. Garvan, one of our Trustees, occurred the day before the annual meeting. His active interest and generosity were greatly appreciated and his loss is deplored. The sudden death also of Mr. Frank B. Black of Mansfield, Ohio, occurred on December 19, 1937, thereby removing another generous donor who with his wife has given to the Saranac Laboratory both an addition and endowment in memory of their son, John Black. A early friend of Dr. Trudeau passed away during the year, Dr. Frank E. Kendall, pharmacist and banker in Saranac Lake, and active in public affairs.

The patient income and donations exceeded our expectations so that the deficit was fully met for the first time in five years. This was materially aided by a gift of \$5,000 toward the deficit and larger income from endowment funds. In the face of growing expense for maintenance the record is gratifying and the chance to restore the wage scale and build up a cash account for current needs is improving.

SUMMARY

Herewith is a brief statement of the past year's financial position:

Total operating expenditures .....	\$361,906.45
Construction, improvements and equipment .....	9,579.25
Miscellaneous accounts uncollectable .....	38.11
<hr/>	
Grand total .....	371,523.81
Sanatorium income from all departments .....	304,157.62
<hr/>	
Gross deficit .....	67,366.19

Income:

From endowment -----	\$41,555.55	
*From contributions -----	31,729.22	
		<hr/> 73,284.77
Balance -----		5,918.58

An appropriation of \$5,000 was made from the Special Reserve Fund to resurface the macadam roads in the grounds of the Sanatorium.

*Weekly cost per patient:* The cost per week per patient increased from \$24.93 in 1936 to \$25.47, or 54 cents, partly due to raw food costs which rose from \$0.273 to \$0.283 per meal, or about 3.6 per cent. Nearly all commodities used in hospitals have advanced in price while wages of employees who live outside the institution as well as the nurses have been restored to former rates.

*Donations:*

General Fund -----	\$11,972.38
For 1935-36 deficit -----	5,000.00
For special purposes -----	3,379.01
From L. I. W. Baker Trust Fund -----	11,377.83
	<hr/> 31,729.22

*Legacies:*

Carrie M. Smith (installment) -----	2,298.87
Helen L. Fairchild (installment) -----	17.26
Maggie W. Hoffman -----	50.00
	<hr/> 2,366.13

*Free Bed Fund:* It is a great satisfaction to report a donation of \$5000.00 to the current Free Bed Fund from the Davella Mills Foundation, which enabled a group of needy patients to prolong their treatment at the Sanatorium.

The donations and income from memorial and endowment funds were as follows:

---

\*Includes accumulated income from L. I. W. Baker Trust Fund of \$11,377.83

Donations:

Davella Mills Foundation -----	\$5,000.00
Other donations -----	4,725.61
Balance from 1936 -----	31.25
Interest and dividends from endowment -----	3,464.16
<hr/>	
Total income available -----	13,221.02
Fifty-two beneficiaries received -----	13,442.28
<hr/>	
Overdraft -----	221.26

Since the close of the fiscal year a new Memorial Free Bed endowment has been accepted, through Dr. Trudeau, from Mrs. Christy Mathewson in memory of her husband. See page 46.

*Employed Ex-Patients:* Sixty ex-patients, whose disease has been more or less completely arrested, earned \$37,000.00, for the most part in addition to maintenance. Fourteen others supported by the Trudeau Foundation earned \$23,380.00, none of whom received maintenance.

*Construction and Improvements:* The task of resurfacing the tarvia roads in the Sanatorium grounds was successfully completed within the appropriation of \$5,000.00. This was due to the generosity of the Saranac Lake Village through Mayor Thomas P. Ward and Village Manager Millar Johnson, to whom we are indebted for the loan of machinery and service.

In addition, a two-car garage has been re-constructed and several buildings repaired and shingled.

The following is the summary:

Road resurfacing -----	\$4,569.08
Superintendent's garage re-construction -----	2,182.12
Ludington Infirmary fire protection sprinklers -----	622.07
Miscellaneous -----	1,006.02
New equipment -----	1,199.96
<hr/>	
Total -----	9,579.25

*The Women's Auxiliary:* The interest and help given by the members of the Auxiliary have been manifested not only in the improve-

ment of the cottages and tray service but also in the employment of a hostess. Mrs. Aulie Rustin, wife of a patient, filled the place most admirably for a short time and later Mrs. Sidney Blanchet, who was a former patient, has taken over this service. The patients have shown appreciation for the attention and the chance to discuss personal problems. Hot plates and covers were purchased and in addition "Thermos" pitchers were given by Mrs. Gerald P. Murphy.

The ladies held a bridge party at the camp of the late Mr. William S. Spaulding on Upper St. Regis Lake for the benefit of the improvement fund contributed by the Auxiliary. The total raised for the year was \$360.80.

*Medical Report:* The total number of patients treated last year

was ----- 455

The number remaining September 30, 1937, was ----- 201

The number discharged was ----- 254

Those remaining an average of ten months were ----- 187

<i>Classification:</i>	<i>Cases</i>	<i>Percent</i>
Non-tuberculous -----	6	2.6
Suspected tuberculosis -----	4	1.7
Arrested -----	15	6.5
Apparently arrested -----	19	8.2
Quiescent -----	94	40.7
Improved -----	71	30.8
Unimproved -----	19	8.2
Died -----	3	1.3

---

231 100.0

Convalescent cases previously reported 23

---

254

The average daily census was ----- 208.1

#### THE DEPARTMENTS

*Administration:* There were no changes in personnel during the year. Mr. Armstrong, Mr. Wood and Miss Duggan continue to carry on with devotion the multifarious duties which have increased over the years.

*Medical Staff:* During the year the staff consisted as before of Drs. Heise, Steidl, and Schwartz, the resident physicians, with Drs. Walsh McDermott, D. A. Sparkman and J. F. Spigler in succession as interns. Dr. Robert Yeager left in September after two years of valuable service. At present the interns are Drs. J. B. English and S. S. Blackman and the clinical hematologist is Dr. Mary Broadbent. Voluntary assistance was rendered by Dr. Wm. C. Munroe and Mr. Harry Schultz. It is readily observed that the medical work has increased materially.

*Visiting and Consulting Staff:* In addition to Drs. Trudeau, Packard and Hayes, Dr. J. Woods Price has been appointed, and all have been diligent in attendance and helpful in counsel.

We are also fortunate in the continued service of Dr. Eric Alling, psychiatrist, and Drs. Welles, Woodruff and Wilson, operating surgeons. To all the institution is deeply indebted.

*Dental Department:* One of the most useful adjuncts of treatment continues with Dr. J. L. Carr as head, ably assisted by Mrs. Carr.

*Nursing Department:* Miss F. Blanche Mann, Superintendent, and Miss Margaret B. Mundie, Assistant, have ably managed the nursing service during a period of transition and difficulty owing to the great demand for registered nurses by public institutions and welfare officers.

The need for training in tuberculosis has fortunately led to a number of requests for post-graduate and affiliated courses, which have been met with mutual advantage to the Sanatorium and training schools of other hospitals. The students in these courses have replaced five paid nurses so that only twenty are now required. Ten nurses have completed the post-graduate instruction during the year.

Our undergraduate training school, discontinued last year, still has four affiliating pupils who will finish January 31, 1938, and thus end this activity. It is hoped that by the continuation of special tuberculosis courses for graduates and affiliates from other training schools a greater use of our facilities will result.

*The X-Ray Laboratory:* This service has been very active. The field studies in dusty occupations have extended to distant parts of

the country and about 20,000 films of miners and steel workers came to Dr. Sampson for interpretation.

The laboratory used 15,500 films last year, more than half for patients outside the Sanatorium.

The staff consists of ten, all but one former patients. Dr. John W. Karr continues as assistant roentgenographer. Dr. Sampson has presented papers on x-ray studies at several meetings in various parts of the United States besides acting as consultant before industrial commissions.

*The Libraries:* Both the Mellon and the Medical Libraries are useful in full measure under Miss Millicent Pierce and Miss Marjorie G. Smith, the respective librarians. The pay-shelf has enabled the Mellon Library to add 82 new books to the free shelves. The circulation reached 9606 volumes, one-half being used by bed patients. A list of donors to the libraries is to be found on page 50. To all we express our thanks.

*Statistical Office:* Mr. Frank Bucci and Mr. Wm. T. Keneally have kept up the annual enquiries of ex-patients as well as furnishing figures for studies of medical problems, a very useful function.

Voluntary help has also been given by Mr. Aulie Rustin, Mr. Charles Strobel, Mr. Emil Carlisi and Miss Margo Rejebian.

*Chapel Services:* The usual five o'clock Protestant service has had a discouraging attendance, so a morning service has been held for some time with much better results. These have been possible because of the presence of two young ministers as patients. The Rev. Mr. Duff Canaday and the Rev. F. Gray Garten have volunteered most generously to hold the morning service so long as they remain. It is believed that the Saranac Lake clergymen will arrange among themselves to continue the morning service. The Rev. Fathers Kitts, Burns and Garnsey, the Rev. Messrs. Hubbard, Plumb, Lyon, Mahagan and Sieker have officiated, besides the Rev. Mr. Alvin B. Gurley who succeeded Mr. Lyon, and all have been very helpful in visiting the patients as well as in conducting the services. It may be noted that less than one hundred patients are ambulatory and able to attend chapel services.

*Entertainment:* The Trudeau Birthday, October 5th, was marked by an illustrated talk on his father's history as a woodsman and hun-

ter by Dr. Francis B. Trudeau. Mr. C. S. Barnet followed with moving pictures of deer in the wild state.

The Lake Placid Club Boston Symphony Ensemble gave the usual delightful concert assisted by the Club quartet consisting of Messrs. Wesley Coplestone, Arthur Reardon, Edward Cole and Robert Moore. Mr. Surrick Lincoln gave a travelogue and the Cotton Blossom singers a concert.

*Recreation Cottage:* The need for some gathering place for social life has not been met for several years and the Inslee cottage was taken for this purpose during the winter. From the date of opening it proved very popular and revealed the need for a new recreation center.

The prospect of a special building for such a center is encouraging. Dr. Trudeau has thus far received pledges of \$6,000.00 toward the cost. (A donation of \$1,000.00 has also been received since the annual meeting).

*The Workshop:* There were 267 persons instructed in arts and crafts, 91 of whom were confined to bed or chair. Eleven subjects were taught. Silvercraft and glove making were especially popular. The teaching staff remains unchanged: Miss Alma Pierce, director; the Misses Knox and Schiefer, assistants, with the voluntary help of Mr. Vernon Lawrence, Mr. Anthony diBona, and others. Many thanks are due to these, and to Mrs. Hare and others for donations.

A new feature has been taken up tentatively with the object of aiding patients to earn something from the sale of objects made.

Recently a committee of patients was organized for mutual aid in obtaining employment after discharge, under the name of *Rehabilitation Committee*. Some progress has been made in exploring avenues of employment but it is a difficult problem under present conditions.

*Research and Clinical Laboratory:* In addition to routine diagnostic procedures, seven problems were studied and eight are in progress of investigation. The relation of vitamins to the growth and virulence of tubercle bacilli and their variations in virulence and nutritive requirements were the principal objects of study. Mr. William Steenken, Jr., and Miss Marjorie Smith, with voluntary students have been

actively engaged under the direction of Dr. Heise and Dr. Gardner.

General business conditions precluded a special effort to raise funds for more extensive research.

*Saranac Laboratory:* With continued support from various industries and insurance companies, Dr. Gardner has been enabled to carry on effective research in dusty trades and tuberculosis. The field studies have required several members of the staff to travel as far as the Pacific Coast. It is gratifying to report that Mr. Donald E. Cummings, field director, has returned to duty after a year's rest.

*The Trudeau School:* The twenty-third session was very successful, with an enrollment of 24 physicians, all of whom completed the four-week course at Saranac Lake, and sixteen the two-week affiliated course at Bellevue Hospital, New York. Scholarships were granted to eight, of whom six were ex-patients.

A notable meeting of the American Association for Thoracic Surgery was held during the session at Saranac Lake and was attended by the class with much interest and profit. A luncheon was tendered the surgeons at the Sanatorium. We regret to record the death of Dr. H. Beattie Brown, who served as instructor on ear diseases.

The Third Silicosis Symposium the week of June 21st was attended by 100 physicians, engineers and others interested in the problem of the dust hazards in industry.

*The Trudeau Foundation:* Among gifts to the Foundation was \$5,000 toward endowment of the Saranac Laboratory given by Mr. Frank J. Tone, and also \$5,000 for the same laboratory from the estate of the late Sidney Isadore Lazard, both through Dr. Kinghorn. Three fellowships were awarded and five third-year medical students were given summer internships.

*Publications:* Eight published articles are contained in the "Studies of the Trudeau Foundation" for 1937.

(Signed) EDWARD R. BALDWIN, M. D., *Chairman.*

## NECROLOGY

MR. FRANCIS P. GARVAN, Trustee and benefactor of research in tuberculosis, died November 8, 1937.

DR. FRANK E. KENDALL, president of the Saranac Lake National Bank and former pharmacist, died May 10, 1937.

DR. H. BEATTIE BROWN, otologist, Trudeau School of Tuberculosis, died August 3, 1937.

MR. FRANK B. BLACK, Mansfield, Ohio, manufacturer and benefactor of the Saranac Laboratory, died December 19, 1937.

DR. LAWRASON BROWN, Medical Director 1900-1912: Consultant at Trudeau to date of death, December 26, 1937.

# TREASURER'S REPORT OF THE TRUDEAU SANATORIUM

## Surplus and Deficit Account

For the Year Ended September 30, 1937

Grand Total Current Revenue . . . . .	377,442.39	Grand Total Current Expenses . . . . .	361,906.45
		Doubtful Accounts Receivable . . . . .	38.11
		<i>Capital Expenditures:</i>	
		Additions to Sites and Grounds . . . . .	4,687.15
		Additions to Buildings and Improvements . . . . .	3,692.14
		New Equipment . . . . .	1,199.96
		<hr/>	
		Total Capital Expenditures . . . . .	9,579.25
		Surplus for the Year . . . . .	5,918.58
	<hr/>		<hr/>
	377,442.39		377,442.39

The total Sanatorium operating income for the year 1937 amounted to \$304,157.62 against total operating expenses, including improvements to buildings and new equipment, of \$371,523.81, resulting in a gross deficit of \$67,366.19, and after deducting the income from investments and contributions, amounting to \$73,284.77, the result is a surplus of \$5,918.58. The average weekly per capita

Administrative Expense . . . . .	1.38	5.4%
Housing and Feeding Expense . . . . .	13.17	51.7%
Professional Care of Patients:		
Medical . . . . .	1.75	6.9%
Nursing . . . . .	8.82	34.6%
Dental . . . . .	.35	1.4%
	<hr/>	
	25.47	100.0%

The average daily main dining room and tray census was 232 and the total number of hospital days was 84,762. The average raw

cost, or the total cost of taking care of one patient one week (including nursing), amounted to \$25.47. The average paid by each patient amounted to \$21.07, and the average weekly deficit per patient was \$4.40.

The distribution of the average weekly cost per patient was as follows:

	1.38	5.4%
	13.17	51.7%
	1.75	6.9%
	8.82	34.6%
	.35	1.4%
	<hr/>	
	25.47	100.0%

food cost per meal was .2833 and the number of meals served to employees and patients was 348,763.

## ACCOUNTANTS' REPORT

*To the Trustees of Trudeau Sanatorium, Trudeau, N.Y.*

We have examined the cash records of the Trudeau Sanatorium, Trudeau, N.Y., and the Trudeau Foundation Funds, Saranac Lake, N.Y., for the year ended September 30, 1937. The foregoing Summary of Receipts and Disbursements has been prepared therefrom and, in our opinion, fairly sets forth the transactions recorded therein.

PEAT, MARWICK, MITCHELL & Co.

New York, N.Y., January 4, 1938
